

Supply Chain Management Scholarship Golf Outing

Save April 25, 2008 on your schedule for the 4th Annual Auburn University SCM Scholarship Golf Outing. Our four-person Texas scramble golf outing brings together the logistics and transportation community for a relaxing day of fun and camaraderie. Past participants include AU alumni, students, and faculty, employers, and friends of the program. The venue for this outstanding event will once again be the challenging Moore's Mill Golf Club in Auburn, AL. Full details about the outing are available at: www.business.auburn.edu/~gibsobj

The purpose of this event is to raise scholarship funds for SCM students. Previous events fulfilled the Dr. James Adams Endowment and allowed us to award individual scholarships. The 2008 outing will boost existing endowments and help us initiate the Auburn Supply Chain Management Association scholarship endowment. It will honor the leaders of our student organization who make the annual golf outing a great success.

2008 Event Sponsorships

To make the golf outing a success, we request your support through the following options:
